

It appears that the examiner has renumbered claims 10-17 and 21-24 to be 9-16 and 17-21, respectively. The applicant regrets any confusion the numbering of the claims may have caused. However, the applicant cautions that the dependency of the claims must also be changed to conform with the dependency of the claims as originally filed.

CONCLUSION

If the examiner has any questions regarding the application or this election, the examiner is encouraged to call the applicant's attorney, Ian F. Burns, at (775) 826-6160.

Respectfully submitted,

Ian F. Burns, Attorney for Applicant(s)
